1 800-408-1448

MAR. 2025

MODEL	MPE.AIR550
POWER	550 AW
WATERLIFT	3500 mmH ₂ O
AIRFLOW	170 m ³ /h
SOUND LEVEL	66 dB
VOLTAGE	220V - 240V
WATTS	1680
DIMENSIONS (WxDxH)	33 cm X 35.5 cm X 73.6 cm
CAPACITY	22.7 L
WEIGHT	10 kg
CIRCUIT BREAKER	10 A
COLOR	Black Chrome

MOTOR

MODEL	MOTE29
TYPE	Thru-Flow
QUANTITY	1
AMPS	7

- ✓ Metal housing, polymeric canister and rigid structure with anti-vibration mounts to limit vibration noise
- ✓ Multi-directional vacuum intake and wall mount support for safe and simple installation
- ✓ Large ergonomic handles made for a quick and easy canister removal
- ✓ Equipped with a power switch allowing the motor to be tested independently from the electrical network
- ✓ 1.8 m long power cord
- ✓ **Uses a disposable bag (391C)** that typically needs replacing approximately every 6 months
- ✓ **Utility inlet included**
- ✓ Designed to clean up to **372 m²** of surface area
- ✓ **Standard filtration**

MODEL	MPE.AIR650
POWER	650 AW
WATERLIFT	3690 mmH ₂ O
AIRFLOW	197 m ³ /h
SOUND LEVEL	64 dB
VOLTAGE	220V - 240V
WATTS	1680
DIMENSIONS (WxDxH)	33 cm X 35.5 cm X 91.4 cm
CAPACITY	22.7 L
WEIGHT	11.8 kg
CIRCUIT BREAKER	10 A
COLOR	Black Chrome

MOTOR

MODEL	MOTE29
TYPE	Thru-Flow
QUANTITY	1
AMPS	7

- ✓ Metal housing, polymeric canister and rigid structure with anti-vibration mounts to limit vibration noise
- ✓ Multi-directional vacuum intake and wall mount support for safe and simple installation
- ✓ Large ergonomic handles made for a quick and easy canister removal
- ✓ Equipped with a power switch allowing the motor to be tested independently from the electrical network
- ✓ 1.8 m long power cord
- ✓ **HYBRID Technology:** offers bagless or bag option according to your preference*
*Using a bag further protects the motor from unsettled particles while reducing maintenance follow-ups.
- ✓ **Utility inlet included**
- ✓ Designed to clean up to **650 m²** of surface area
- ✓ **Permanent self-cleaning filter**

MODEL	MPE.AIR683
POWER	683 AW
WATERLIFT	3977 mmH ₂ O
AIRFLOW	213 m ³ /h
SOUND LEVEL	69 dB
VOLTAGE	220V - 240V
WATTS	1856
DIMENSIONS (WxDxH)	33 cm X 35.5 cm X 91.4 cm
CAPACITY	22.7 L
WEIGHT	11.8 kg
CIRCUIT BREAKER	10 A
COLOR	Black Chrome

MOTOR

MODEL	MOTE11
TYPE	Bypass
QUANTITY	1
AMPS	8.4

- ✓ Metal housing, polymeric canister and rigid structure with anti-vibration mounts to limit vibration noise
- ✓ Multi-directional vacuum intake and wall mount support for safe and simple installation
